Yes No

4. Would you like to be involved on a voluntary basis in Parish activities Yes No

Please Note:

Godparents:

The role of godfather and godmother is one of support for you as a parent in the upbringing of your child and especially in the handing of the Christian Faith to your child. Godparents should therefore be people who themselves witness to faith and who will be good role-models for your child. Please note that at least one godparent must be Catholic.
