## *For a Dear Loved One*

*You filled the world with special joy  
and happiness untold.*

*You always had a sunny way  
and a lovely heart of gold.*

*You made life so much brighter  
just by being thoughtful, too,  
and saying kind and helpful things  
was typical of you.*

*That's why it's hard to face the world  
and know you won't be there,  
lighting up life so warmly  
with your smile beyond compar.*

*The memories you left behind  
grow sweeter day by day  
but you are missed dear loved one,  
more than any words can say*

## **Bill**

*(a friend who took his own life)*

He did not hear the birds sing this morning,  
nor the waters whisper along the dykes.

He did not notice how splendidly the rising sun  
was recreating the sheep covered hill.

He could not think of the small boy,  
the wife, the girls he left sleeping.

In a world of light  
he trekked a deep tormented darkness.

In the middle of love  
no love could reach him.

On a broad mountain  
he walked a dark tunnel,  
untouched by spring, untouched by hope,  
from which there was no exiting.

*Pádraig Daly  
from The Voice of the Hare.*
